

## Action

Concurrence Item. DEFT, NoName, and DNCT are seeking concurrence from the Policy Group on the direction and concepts being pursued, such as:

- Share the yield
- Environmental water account
- Operational flexibility based on real-time triggers

Concurrence Item. The CALFED staff is seeking concurrence on the bookends to be used for impact analysis of the preferred alternative in the programmatic EIS/EIR, which are:

- Accord + CVPIA + NoName + Full Surface and Groundwater Storage
- Accord + CVPIA + NoName + Full DEFT Actions
